

## ***U.S. Senator Howard Says No to Anchor Babies!***

Funny thing: “the truth.” For decades, members of our government, special interest groups, men and women in black robes, and foreign enemies of America have been propagating the lie that the 14<sup>th</sup> Amendment gives automatic birthright citizenship to the children born of foreign nationals. It absolutely does not. It never did.

Some will suggest that *this* judge or *that* Constitutional scholar has already determined that it does. Tell a lie often enough and people will start to believe it. We know Members of Congress won’t read the legislation they vote on, but one would think they would at least read the document they took an oath to uphold and defend.

To be *fair* and *balanced*, one need only watch the coverage of ALL mainstream media to get a fresh dose of the lie. It’s not like “*and subject to the jurisdiction thereof*” was a dangling participle at the end of Section 1 of the 14<sup>th</sup> Amendment. It’s right smack dab in the middle of the sentence. It requires an *intentional* omission to leave it out.

### ***14<sup>th</sup> Amendment, Section 1***

*“All persons born or naturalized in the United States, **and subject to the jurisdiction thereof**, are citizens of the United States and of the state wherein they reside. “*

What does “*and subject to the jurisdiction thereof*” mean?

### **In the words of the author of Section One to the 14<sup>th</sup> Amendment:**

**May 30<sup>th</sup>, 1866, Senator Howard:** *“The first amendment is to section one, declaring that all “persons born in the United States and Subject to the jurisdiction thereof, are citizens of the United States and of the States wherein they reside. I do not propose to say anything on that subject except that the question of citizenship has been fully discussed in this body as not to need any further elucidation, in my opinion. **This amendment which I have offered** is simply declaratory of what I regard as the law of the land already, that every person born within the limits of the United States, and subject to their jurisdiction, is by virtue of natural law and national law a citizen of the United States. **This will not, of course, include persons born in the United States who are foreigners, aliens, who belong to the families of ambassadors or foreign ministers accredited to the Government of the United States,** but will include every other class of persons. It settles the great question of citizenship and removes all doubt as to what persons are or are not citizens of the United States. This has long been a great desideratum in the jurisprudence and legislation of this country.”*

Federal statutes and opinions of men in black robes do NOT trump the Constitution, nor can they change the meaning of it. It means what it says. Just ask the man who wrote it.

Imagine the insanity of this “lie” in the simplest of terms. Can you see the headline?

## *U.S. Constitution ruled un-Constitutional!*

For the traitors and usurpers of the Constitution, our ignorance has been their bliss!

The largest invasion in world history MUST end. Every Member of Congress, every state legislator, every law enforcement officer, every judge, and every other officer of the court has taken an oath similar to that of our fighting men and women...

To uphold and defend the Constitution of the United States of America, against all enemies, foreign and domestic, SO HELP THEM GOD!

It is time we once again became the home of the brave. Restoring Constitutional governance, and our honor, is the only way to repay our debt to the 1,314,000+ Americans that have died to defend our liberties and freedom.

*“A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear.”* ~ Marcus Tullius Cicero, (42 B.C)

*“It will be of little avail to the people, that the laws are made by men of their own choice, if the laws be so voluminous that they cannot be read, or so incoherent that they cannot be understood; if they be repealed or revised before they are promulgated, or undergo such incessant changes that no man, who knows what the law is today, can guess what it will be tomorrow. Law is defined to be a rule of action; but how can that be a rule, which is little known, and less fixed?”* ~James Madison, Author of the U.S. Constitution

The Constitution and its Amendments are fixed. They mean today what they meant when they were written. If you are a public servant, does your oath mean today what it meant when you took it? You bet it does.

END UNCONSTITUTIONAL ANCHOR BABY CITIZENSHIP NOW!
